

Copyright Transfer Agreement

Title of the Manuscript

- Korean:

- English:

The author(s) of this manuscript express my/our desire that this manuscript be accepted for publication by Korean Society of Coastal and Ocean Engineers and agree to the following conditions:

1. I/we confirm that this manuscript is creatively written without infringing on any copyright of other theses.
2. I/we made actual contribution to the manuscript with my/our intelligence and shall take all responsibility for the content of the manuscript.
3. I/we declare that this manuscript has not been published, nor being submitted to elsewhere and have no plan to submit this manuscript to elsewhere for publication.
4. The publisher of this manuscript has the right to respond when the copyright in this manuscript is infringed by a third party without approval of the publisher.
5. I/we hereby assign to Korean Society of Coastal and Ocean Engineers the legal right, profit and copyright in this manuscript if the manuscript is published. This transfer includes any right to copy or transmit the manuscript for electronic copies.
6. This copyright transfer agreement will take effect upon signature of the first author and one of co-authors.
